|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Show Opener (Working for the Weekend)   | ✔ Satisfied                                                                                                                                                                                                    |       |
| Show Closer (Roll with the Changes)     | ✔ Satisfied                                                                                                                                                                                                    |       |
| Equal Set Lengths                       | ✔ Satisfied (53:30 / 52:52 / 53:00 — 0:38 spread across the three sets)                                                                                                                                        |       |
| Dance Peak (danceable late in each set) | ⚠ Partially Satisfied (Set 3 is 100% danceable; Set 2 carries four non-danceable songs after the v8 revert; Set 1 is the deliberate listening set and closes on <i>Piano Man</i> )                             |       |
| Vocalist Balance                        | ✔ Satisfied (no vocalist leads more than 3 songs in a row in any set)                                                                                                                                          |       |
| Lauren Vocal Health                     | ✔ Satisfied (every vocally-taxing song — Me and Bobby McGee, You Oughta Know, Respect, Zombie, Roll with the Changes — is separated by ≥2 non-taxing songs; v9 had only 1 between You Oughta Know and Respect) |       |
| Segue Integrity                         | ✔ Satisfied (Superstition→Valerie, Funkytown→Miss You→Reeling in the Years, Peg→Second Chance, Brown Eyed Girl→Hey Jealousy all intact and in canonical order)                                                 |       |
| Target Duration                         | ✔ Satisfied (179:22 vs. 3hr target)                                                                                                                                                                            |       |
| Vocalist Inclusion                      | ✔ Satisfied (Lauren, Jon and Martin all lead; David is out)                                                                                                                                                    |       |
| Pacing Flow                             | ⚠ 2 energy drop(s): Don't Stop Believing → Piano Man (#11→#12, SET 1); Second Chance → You Oughta Know (#8→#9, SET 2)                                                                                          |       |
| Absent-Member Note Check                | ⚠ 1 stale reference(s): <i>Rikki Don't Lose That Number</i> mentions David ("Keys straight in (marimba omitted — David out)")                                                                                  |       |

### ⚠ WARNING

**Substitutions:** David and Debo are both out — Paul is subbing on bass. Keyboard/marimba parts are covered by Jon (piano) or omitted, and Lauren covers David's lead vocal on *Keep Your Hands to Yourself*.
