| Show Opener (Working for the Weekend) | ✔ Satisfied                                                                                                                                                                                       |       |
| Show Closer (Roll with the Changes)   | ✔ Satisfied                                                                                                                                                                                       |       |
| Vocalist Balance                      | ⚠ Partially Satisfied (Set 1 runs 4 Lauren leads: You Oughta Know → The Chain → Hook → Funkytown — accepted deliberately, The Chain has internal breaks that rest her. Set 2 peaks at 2 in a row) |       |
| Lauren Vocal Health                   | ✔ Satisfied                                                                                                                                                                                       |       |
| Acoustic Vocalist Coverage            | ✔ Satisfied (Every present vocalist leads an acoustic song — Interstate Love Song gives Martin one)                                                                                               |       |
| Target Duration                       | ⚠ Partially Satisfied (~2h57m of music/transitions vs. 3hr target — pad with banter/tuning)                                                                                                       |       |
| Vocalist Inclusion                    | ✔ Satisfied                                                                                                                                                                                       |       |
| Pacing Flow                           | ✔ Satisfied (No High→Low energy drops)                                                                                                                                                            |       |
| Absent-Member Note Check              | ✔ Satisfied (No absent-member references in intro notes)                                                                                                                                          |       |

### IMPORTANT

**Not final — the running order is still to be revised.** Only the metadata is current here (danceability marks and the substitution note below). Empire's song order, set split and breaks have not been revisited since the Can Bar setlist was rebuilt into three sets. Don't print this as the final copy.

### NOTE

**David's availability is unconfirmed for this gig.** The setlist below assumes full band. If David turns out to be out: **Ventura Highway must be cut** — it needs Martin, David **and** JJ together (3-guitar arrangement, David counts it off) and has no substitution, so there is no version of it to play. Lauren covers David's lead vocals on *Wish You Were Here*, *Ooh La La* and *Keep Your Hands to Yourself*, and keyboard/marimba parts are covered by Jon (piano) or omitted.

### NOTE

**Band intro (recited after track 4, before track 5):** "We are the Wannabe Weekenders...and we wannabe your entertainment as you ease on into this weekend. We're gonna take you on a ride through decades,

genres, and voices so just sit back, grab a drink and be sure to take care of your servers, and let us take care of the rest. I promise you, we'll keep it unpredictable and you won't know where we are going next."
